

# More or Less 10-100

## Connect Four

Pupils need practice learning the value of numbers up to 100 and in this activity they have the fun of playing connect four while remembering if a number is more or less than another. Playing will also help develop the pupils vocabulary and their ability to work collaboratively.

Suitable for pupils aged 6+

The Learning Outcome will be that pupils will be able to identify a number is more or less than another number as well as improve their vocabulary.

# More or Less 10-100

## Connect Four

Developed from resources by Anita Saggat at Berridge I & N School, Nottingham  
Illustrated by Peter Bennett

**Theme: Numbers to 100**

**Age range: 6+**

### Context:

Pupils need practice learning the value of numbers and in this activity they have the fun of playing connect four while remembering if a number is more or less than another. Playing will also help develop the pupils vocabulary and their ability to work collaboratively.

If you make your own version please send it to the address below for expanding our library of resources.

### Preparation:

Print out the A4 sheets.

If possible, laminate the Game Boards. Cover the pages of the Number Cards with 'clear pvc self adhesive film' and then cut them out

### HOW TO PLAY:

For the game you will need four players, one Game Board and two sets of cards (different colour borders).

Work with a partner to make a team of two.

Shuffle your team cards and place them in a pile facing down.

Take turns to turn over your top card and decide where to put it on the board. Everyone has to agree that the card fits the description.

The team with the first four cards in a line either vertically, horizontally or diagonally wins.

### Learning Outcomes:

Pupils will be able to identify a number is more or less than another number as well as improve their vocabulary.

If you have found further learning outcomes please share them by emailing [collaborate@mantralingua.com](mailto:collaborate@mantralingua.com).
